SÁGI DÁNIEL

FRONT-END DEVELOPER

I'm a motivated front-end developer. I can develop responsive websites from scratch and raise them into modern user-friendly web experiences. Transforming my creativity and knowledge into websites has been my passion for over a year.

If you want to see my previous works, check my portfolio [HERE](#).

My current focus is to become a Full-stack API developer, so now I learning Node.js, Express.js, and MongoDB, I also improving my Angular skills.
